

Pacific Clinic

FOLIX LASER – HAIR RESTORATION

POST-PROCEDURE INSTRUCTIONS

Hair Care and Protection:

- ☐ Sun protection:
 - Avoid direct sun exposure on the treated area.
- ☐ Headwear:
 - Wear a hat or umbrella to protect your scalp from the sun.
- ☐ Gentle styling:
 - Avoid harsh combing, tight ponytails, and hard rubbing, especially when washing your hair.

Product Use:

- ☐ Avoid other hair growth products:
 - While undergoing Folix laser treatment, it's recommended to refrain from using additional hair growth products.

Post-Treatment Care:

- ☐ Avoid irritants:
 - For the first 24 hours, avoid activities that might irritate the treated area, such as mechanical injury, sauna visits, or peeling.
- ☐ Keep it clean:
 - Maintain a clean scalp for several days following the treatment.
- ☐ Gentle cleansing:
 - On the night of the treatment, gently cleanse your scalp with lukewarm water.
