

Pacific Clinic

FOLIX LASER – HAIR RESTORATION

PRE-PROCEDURE INSTRUCTIONS

Shampoo only:

- Wash your hair with shampoo one day before the treatment. Avoid using conditioner.

Hair treatment or Color:

- You can safely perform hair treatments or color your hair 8 days before and after the procedure.

Hair Transplant:

- If you've had a hair transplant, wait 6 weeks before and after the procedure to undergo Folix laser treatment.

Postpartum or Breastfeeding:

- If you've recently given birth or are breastfeeding, wait 6 months before starting Folix laser treatment.

Sun Exposure:

- Avoid direct sun exposure for 2 weeks before and after the treatment.
